

§ 905.53

7 CFR Ch. IX (1-1-05 Edition)

whenever any such grade or size limitation restricts the shipment of a portion of a specified grade or size of a variety the quantity of such grade or size that may be shipped by a handler during a particular week shall be established as a percentage of the total shipments of such variety by such handler in such prior period established by the committee with the approval of the Secretary, in which he shipped such variety.

(2) Limit the shipment of any variety by establishing and maintaining, only in terms of grades or sizes, or both, minimum standards of quality and maturity;

(3) Limit the shipment of the total quantity of any variety by prohibiting the shipment thereof: Provided, that no such prohibition shall apply to exports or be effective during any fiscal period with respect to any variety other than for one period not exceeding five days during the week in which Thanksgiving Day occurs, and for not more than two periods not exceeding a total of 14 days during the period December 20 to January 20, both dates inclusive.

(4) Provide that exports of any variety shall be limited to grades and sizes different from the grade and size limitations applicable to shipments of such variety in the 48 contiguous States and the District of Columbia of the United States, and specify condition requirements for such variety; and

(5) Fix the size, capacity, weight, dimensions, marking, or pack of the container or containers which may be used in the shipment of fruit for export: Provided, that such regulation shall not authorize the use of any container which is prohibited for use for fruit under the provisions of Chapter 601 of the Florida Statutes and regulations effective thereunder.

(b) Prior to the beginning of any such regulations, the Secretary shall notify the committee of the regulation issued by him, and the committee shall notify all handlers by mailing a copy thereof to each handler who has filed his address with said committee for this purpose.

(c) Whenever the Secretary finds from the recommendations and reports of the committee, or from other avail-

able information, that a regulation should be modified, suspended, or terminated with respect to any or all shipments of fruit in order to effectuate the declared policy of the act, he shall so modify, suspend, or terminate such regulation. If the Secretary finds that a regulation obstructs or does not tend to effectuate the declared policy of the act, he shall suspend or terminate such regulation. On the same basis, and in like manner, the Secretary may terminate any such modification or suspension.

(d) Whenever any variety is regulated pursuant to paragraph (a)(3) of this section, no such regulation shall be deemed to limit the right of any person to sell, contract to sell, or export such variety but no handler shall otherwise ship any fruit of such variety which was prepared for market during the effective period of such regulation.

§ 905.53 Inspection and certification.

(a) Whenever the handling of a variety of a type of fruit is regulated pursuant to § 905.52, each handler who handles any variety of such type of fruit shall, prior to the handling of any lot of such variety, cause such lot to be inspected by the Federal-State Inspection Service and certified by it as meeting all applicable requirements of such regulation: *Provided*, That such inspection and certification shall not be required if the particular lot of fruit previously had been so inspected and certified unless such prior inspection was not performed within such time limitations as may be prescribed pursuant to paragraph (b) of this section. Each handler shall promptly submit, or cause to be submitted, to the committee a copy of each certificate of inspection issued to him covering varieties so handled.

MISCELLANEOUS PROVISIONS

§ 905.80 Fruit not subject to regulation.

Except as otherwise provided in this section, any person may, without regard to the provisions of §§ 905.52 and 905.53 and the regulations issued thereunder, ship any variety for the following purposes: (a) To a charitable institution for consumption by such institution; (b) to a relief agency for distribution by such agency; (c) to a commercial processor for conversion by such processor into canned or frozen products or into a beverage base; (d) by parcel post; or (e) in such minimum quantities, types of shipments, or for

such purposes as the committee with the approval of the Secretary may specify. No assessment shall be levied on fruit so shipped. The committee shall, with the approval of the Secretary, prescribe such rules, regulations, or safeguards as it may deem necessary to prevent varieties handled under the provisions of this section from entering channels of trade for other than the purposes authorized by this section. Such rules, regulations, and safeguards may include the requirements that handlers shall file applications with the committee for authorization to handle a variety pursuant to this section, and that such applications be accompanied by a certification by the intended purchaser or receiver that the variety will not be used for any purpose not authorized by this section.

§ 905.81 Compliance.

Except as provided in this part, no person shall ship fruit the shipment of which has been prohibited by the Secretary in accordance with the provisions of this part.

§ 905.82 Effective time.

The provisions of this subpart shall become effective on and after 12:01 a.m., e.s.t., September 1, 1946, and shall continue in force until terminated in one of the ways specified in § 905.83.

§ 905.83 Termination.

(a) The Secretary may at any time terminate the provisions of this part by giving at least one day's notice by means of a press release or in any other manner which he may determine.

(b) The Secretary shall terminate the provisions of this part at the end of any fiscal period whenever he finds that such termination is favored by a majority of producers who, during the preceding fiscal period, have been engaged in the production for market of fruit: *Provided*, That such majority have, during such period, produced for market more than 50 percent of the volume of such fruit produced for market, but such termination shall be effective only if announced on or before
